LPG GAS SALAMANDER WALL GRILL

The Parry LPG gas salamander wall grill is a powerful appliance ideal for cooking fish, vegetables and cheese. Designed to grill evenly across the cooking surface, the adjustable flame provides easy temperature regulation. Constructed from high grade stainless steel, the grill is both durable and easy to maintain.

- Bench stand 7073BS
- Floor stand 7073FS
- Wall brackets 7075
- Gas conversion kit
- Gas hoses GASHOSELPG

BUILT FOR PURPOSE IN BRITAIN

With a 40-year heritage steeped in British craftsmanship, we specialise in bespoke stainless steel catering equipment. Supporting the UK economy – 95% of our products are manufactured at our Draycott factory – we believe in high quality equipment designed for daily use.

We're committed to collaborating with you, and we're constantly looking for ways to help you achieve maximum benefit from your relationship with us. That's the philosophy behind the Parry Partnership, which we've created to ensure that we exceed your requirements and help drive the growth of your business.

WARRANTY AND SPARES ARE BACK IN-HOUSE

After listening to your views and taking on board your feedback, we took the decision to bring our warranty service back in-house. What's more, we've extended it to two years (including parts and labour) across all Parry products.

info.parry.co.uk/the-parry-warranty

And with spares in-house, too, we're able to provide a complete after-sales service, combining exceptional value and speedy delivery. As a result, you have a direct link to our factory floor, which means you'll bid a permanent farewell to supply chain hassle.
