

Contact Grill

The PANINI R

This powerful contact grill will really suit the discerning coffee shop and café. The fully adjustable spring and counter balanced top plate will help prevent food being crushed by the weight of the top plate and it is fitted with armoured heating elements for perfect heat distribution. The plates of the grill are ribbed top and flat bottom and ideal for cooking Panini's, steaks, burgers, blinis etc.

Features digital: 15 minute timer (not shown), power on light.
