

# Continuous Vegetable Prep Machine

Quickly and effortlessly slice, dice, grate and chip a huge variety of ingredients with the high performance, high capacity Buffalo Multi-Function Continuous Vegetable Prep Machine. Able to prep up to 300kg of food every hour, the machine is ideal for preparing large batches of foods in schools, staff canteens, restaurants or residential care homes. The two separate feed hoppers accommodate a wide variety of foods, such as cucumbers, onions, potato and much more. Safe, powerful and immensely versatile. Please note: blades sold separately.

## Features and Benefits:

- Large half moon feed hopper for faster throughput
- Cylindrical feed hopper for uniform end products
- Safety cut-off switch activated when cover is opened
- Easy to change blades
- Warranty 2 years
