Unpacked Weight

Features & Benefits

If you want best in class British made self-service display, Foster Display Chillers are for you, giving your customers every opportunity to buy on impulse without losing produce quality. The open fronted range is perfect for the storage and display of pre-packaged products such as drinks, sandwiches, sushi and dairy produce.

- ACT (Anti Condensation Technology) helps glass to remain clear, maximising product display
- Glass end panels over 70% wider than many models in the market, maximising your display window
- Thick toughened glass for enhanced safety across both open and closed fronted models
- Manufactured using superior 304 stainless steel – the 'gold standard' in performance finishes meaning quality is assured
- Foster's innovative air curtain protects your merchandise from warmer air entering the display ensuring your food keeps both its taste and texture
- Brilliantly bright LED lighting in top canopy and on every shelf significantly enhances product display
- Innovative design means the controller can be positioned to the front or rear – allowing on site flexibility
- There when you need us: Unrivalled 2 year parts and labour warranty as standard for complete peace of mind (UK only)
