

Salad Spinner ES-200

CAPACITY PER CYCLE: 12 KG. / 26 LBS.

Fast, sleek, user-friendly, safe, smooth running commercial salad spinner, designed to efficiently dry up to 12 Kg. / 26 lbs. of salad per cycle at a maximum speed of 900rpm.

- Sammic salad spinners dry lettuce and other vegetables in as low as 1-3 minutes owing to their fast speed (900 r.p.m), ensuring good product quality.
- Equipped with powerful three-phase motors controlled by highly reliable electronic speed variator, which enables the salad dryer to be connected to a single-phase electrical mains supply.
- Stainless steel construction.
- Lightweight and removable stainless steel basket.
- Compact geometry: easily fits under conventional standard countertops.
- Equipped with castors allowing the operator to wheel unit around the kitchen and under a countertop for easy storage.
- Transparent, heavy duty lid for ease of control.
- Lid equipped with a self-opening mechanism, for ease of access to basket.
- User-friendly, waterproof control panel. Advanced features
- Electronic timer with 3 fixed cycles.
- Weight distribution detection system (VCS) to prevent rattling of the unit. Self lock-in mechanism to ensure basket is properly secured before cycle starts.
- Braking system safety mechanism: allowing basket to stop turning as soon as lid opens.
- An indicator appears when the door is open.

DEFAULT EQUIPMENT

- Castors with brake.
- Stainless steel drying basket.

OPTIONAL EQUIPMENT

- Additional stainless steel drying basket.
