

Your food deserves quality professional refrigeration

Slimline Cabinets

Affordable | Reliable | Professional

Not every kitchen has the luxury of space, but that doesn't mean you need to compromise on high-quality refrigeration. Foster's Slimline range of cabinets can adapt perfectly to any compact or awkwardly shaped working environment, yet still offers outstanding storage capacity, style and efficiency.

“When space is a prime concern, Slimline Cabinets provide the ideal storage solution”

Quick fact:

> So slim that even the double door model can go through most single pedestrian doorways

features & benefits

- > Bottom mounted refrigeration system draws air from the cooler part of the kitchen ensuring efficient operation and lower running costs
- > Even temperature distribution and fast recovery achieved by advanced air circulation, meaning an optimum temperature to keep your food fresher for longer
- > Our Slimline cabinets are perfect for smaller outlets where space and budget is at a premium. But as you expect from Foster, they're still stylish, flexible and economical
- > Removable hard wearing door gasket ensures your product will cope with the most demanding of environments
- > LED electronic temperature display for accurate control and clear visual reference
- > Automatic defrost for hassle-free operation
