## ELECTRIC DOUBLE WET WELL BAIN MARIE

With a high capacity of two full sized (1/1) gastronorm pans, the Parry 1985 wet well bain marie is a versatile and functional water bath. Made in the UK from high quality stainless steel, the Parry includes all the features you would expect from a commercial bain marie, such as an easy-drain valve and precise thermostat control. Ideal for keeping pre-cooked foods and sauces at a safe and ready to serve temperature.

## BUILT FOR PURPOSE IN BRITAIN

With a 40-year heritage steeped in British craftsmanship, we specialise in bespoke stainless steel catering equipment. Supporting the UK economy – 95% of our products are manufactured at our Draycott factory – we believe in high quality equipment designed for daily use.

We're committed to collaborating with you, and we're constantly looking for ways to help you achieve maximum benefit from your relationship with us. That's the philosophy behind the Parry Partnership, which we've created to ensure that we exceed your requirements and help drive the growth of your business.

## WARRANTY AND SPARES ARE BACK IN-HOUSE

After listening to your views and taking on board your feedback, we took the decision to bring our warranty service back in-house. What's more, we've extended it to two years (including parts and labour) across all Parry products.
