### What is the E3 Range

E3 allows you to create a fixed bar layout with energy efficiency at the heart of your design. E3 Bottle Coolers offer outstanding cooling capacity, impressive display presentation, along with market-leading efficiency: all in a single refrigeration unit.

### Some Features of the E3 Range

- Lower power consumption because of robust construction and hydrocarbon refrigerants
- Increased capacity thanks to clever positioning of the integral machine unit
- Remote versions also available, please call for details
