WINE CABINETS

CVKS 671 is a single door exclusive wine cabinet, where its counterpart CVKS 670 uses a two-door system. Both provide room for optimum storage of 106 bottles and are perfect cabinets for placing in back-rooms. The vibration-damped refrigeration system and compressor ensure perfect storage conditions on the cabinets' wooden shelving. The foam-insulated door maintains low energy consumption.

ISO 9001, 14001 & OHSAS 18001 CERTIFIED
