### 50 slim - BL50H1S

#### BL50H1S

Banquetline is the ultimate solution to holding storing and transporting hot and chilled food in optimum condition. Perfect for catering on a grand scale. User applications include banquets, conferences, hotels, sports stadia, universities, colleges and outside events. Suited to the smaller operation, hire market or where a high degree of portability is required. This slimline model has been designed to fit through narrow 700mm wide doors found on some lifts
