## HR360FT Refrigerated Prep Table

# HR360FT

### Temperature

Refrigerator 1/4 °C

### Dimensions (mm)

W 1215 D 760

H 950

### Capacity

366 Litres

### Unpacked Weight

91 KG

### Features & Benefits

The competitively priced Foster Prep Table range combines under counter storage with easy access to pans in the worktop making it ideal for food preparation such as salads, sandwiches and starters.

- Dual, forced air, fan system delivers even temperature holding to both the counter base and top pan storage
- Chilled top accepts 5x GN1/3 pans - all within comfortable reach (an important health and safety benefit)
- Front breathing system makes it suitable for enclosed areas
- The range is presented with a durable, hygienic, modern, stainless steel exterior
- Hydrocarbon refrigerant available as an option
