FS Series

Our new range of ice makers use cutting edge technology, so the ice is crystal clear and lasts longer in customers' drinks. Our range also uses less water and energy, so it's easy to see why they are the clear choice.

Design & Performance

User friendly controls with cube size adjustment

Versatile | Cost-Effective | Ergonomic

Quick fact:
> The spray system produces crystal clear ice cubes, and the patented shape means they last longer in cold drinks

Market leading design, performance, quality and reliability you know you can trust
Foster Ice Maker | Market Leading

Quick fact:
> Optimised performance means on average the new range uses 70% less water than the previous

Everything you would expect from Foster...

Innovation

- > Patented shaped ice is much less inclined to stick together in the ice maker, is harder and lasts longer
- > Smaller footprint to maximise space
- > Plug ready with large capacity ice storage compartment

Quality and Reliability

- > Cutting edge product development, design and manufacturing
- > The highly insulated ice bin improves efficiency by minimising the loss of cold air, slowing down the ice melting
- > Manufactured using high quality stainless steel meaning durability and quality is assured

Unrivalled Performance

- > Ergonomic food safe retractable lid ensuring easy access to the ice
- > Electro mechanical user friendly controls, allowing you to adjust ice cube size and weight
- > Auto shut off when bin is full

Efficiency is key

Image: FS20

Quick fact:
> Front ventilation system allows a significant energy saving and means the ice maker fits perfectly into narrow spaces

Quick fact:
> Insulated sliding door protects ice and helps maintain the perfect temperature

...and more.

Energy Efficiency

- > Water, energy and maintenance cost saving features, saving you money on the lifetime ownership of the product
- > Up to 70% savings on water usage per cycle compared to previous range

Hygiene and Safety

- > Anti-bacterial spray nozzles to ensure your high standards in hygiene are met
- > The high quality stainless steel exterior finish provides a superior food safe surface for easy wipe-clean efficiency

Affordability

- > Available on ZERO% interest free credit allowing you to simply spread the cost of your new ice maker over a year while its works for you*

*UK only. Full terms and conditions available on request.
