Features & Benefits

The Foster Slimline is a stylish, flexible and economical option for outlets where space is at a premium. Easy to clean and maintain, this range is admired for its low noise levels, all of which makes it ideal for the smaller display area. Key to the range is the oversized display volume, courtesy of its extra-large, flexible and versatile shelf depths.

- 1x top mounted full length LED. On average these last 10x longer than fluorescent lighting and emit a fraction of the heat output.
- Robust lockable security roller shutter with full solid end panels.
- Fully removable shelves and supports for ease of cleaning.
- Made of high quality food safe superior 'brushed' stainless steel finish for easy wipe-clean efficiency.
- Removable front cover and slide out condensing unit allows easy access for service, minimising down time. Also our After Sales Support is there when you need us: 2 years parts and labour warranty as standard.
