Libero Line Series
Libero Point, 3 unit freestanding counter

Libero Line Series

Libero Point, 3 unit freestanding counter

351065 (NELP3G)

Libero Point mobile counter.
Suitable for 3 Libero Line
appliances - UK version

Short Form Specification

Item No.

Can accommodate up to three electric table top appliances. Heavy duty stainless steel construction. Integrated radial fan (variable speed) ventilation system that reduces cooking odours from the cooking surfaces of the table top appliances. Air is filtered through the top of the appliance and released at the base. The self-contained air-filtration system is equipped with 3 filters, a dishwasher safe mechanical filter with a fine-meshed metal filter and a carbon activated filter. Large glass top suited for placing dishes to serve customers. Electrical plugs protected by covering plates. Side supports each holding n.2 GN 1/9 containers. Mounted on 4 swivelling wheels (two with brake). Rounded edges and smooth surfaces for easier cleaning. Cord and plug included. Optional accessories: drawers, tilting side shelves and customized front panels can be ordered on request.

Main Features

- Push open optional neutral drawers for additional storage space.
- Can accommodate up to three Libero Line tabletop appliances.
- Integrated variable speed fan ventilation system with multi-step filter solution to reduce cooking odors and steam from the cooking surfaces of the tabletop appliances.
- Technological 3-stage filtering system composed of: a mechanical labyrinth filter for bigger particles of grease and steam, a mesh (metallic net) filter and carbon activated filters to absorb residual humidity and odors.
- Mounted on 4 swiveling wheels.
- Compact, lightweight and easy to move.
- Rounded edges and smooth surfaces to facilitate cleaning operations.
- IP24 protected.

Construction

- Glass side splash guards and stainless steel front serving shelf.
- Side supports to hold GN 1/9 container.
- Heavy duty Stainless steel construction.
