

# Product Code: FDC900C 20-102

## 900mm width assisted service display chiller

---

### Features & Benefits

---

- Bright LED canopy and undershelf lighting
- ACT Technology (Anti Condensation Technology)
- Toughened glass curved front with sliding glass doors to rear
- High quality 304 stainless steel finish for superior robustness and food safety
- Add 80mm to depth for spacers if product is to be wall-sited (required for air circulation - detachable if not wall-sited)
- Glass end panels over 70% wider than many models in the market, maximising your display window
- Foster's innovative air curtain protects your merchandise from warmer air entering the display ensuring your food keeps both its taste and texture
- Innovative design means the controller can be positioned to the front or rear – allowing on site flexibility
- There when you need us: Unrivalled 2 year parts and labour warranty as standard for complete peace of mind (UK only)
- Curved glass front for assisted service operations - ideal for display of cakes, pastries, open sandwiches and similar foods
