

ECO PLUS K 70 LAG C1 4N

With an energy consumption of only 328 kWh/year (Energy test Ecodesign) the ECO PLUS K 70 already now ranks in energy class A according to new EU legislation that will be introduced 1st July 2016.

The Ecodesign test method records the 24 hour energy consumption and multiplies it by 365 to get the annual energy consumption (AEC). The 24 hour consumption is calculated from 2 test periods of 12 hours each. The first period has sequences of door openings while the second is a stabilization period with closed door.

ECO PLUS 70 combines stylish design with high functionality and low energy consumption.

- The controls are concealed behind the top panel, protected against splashing water.
- Design principle of "no broken surfaces" makes the cabinets easy to clean.
- The distinctive aluminum profiles stretching from top to bottom on both sides of the cabinet impart strength and enhance appearance.
- The modular rails can go directly in the dishwasher.
- Pedal opener with finesse - read more in the brochure.

ECO PLUS is suitable for the deep 2/1 GN system where 2 pcs. 1/1 GN pans can be placed after each other directly on the support rails.

TECHNICAL INFORMATION

Varenummer	960700064
Category	Storage Cabinets
Type	Refrigerator
Line	2/1 GN deep
Series	SUPERIOR & ECO PLUS
Equipped with	Right hand hinged reversible door, automatic door closing, pedal door opener, 4 grey shelves, LED lighting, castors
Temperature range	+2 / +12°C
Volume, gross	610 ltr.
Net usable volume	462 ltr.
Exterior/Interior	White / Stainless, aluminium
Dim. W x D x H, mm	700 x 905 x 2100
Weight, packed	136kg
Refrigerant / GWP	R 600a (isobutane) /3
Ref.capacity at -10°	333 Watt
Connection	230 V, 50Hz
Connection load	248 Watt
Energy Efficiency Class	A
Energy consumption / year (AEC)	328 kWh
Sound level	Information will follow
