

Griddles – Cast Iron

PSF600E

The PSF600E griddle is built around a sturdy cast iron plate giving a solid cooking platform for cooking burgers sausages bacon fried eggs etc. The smooth cast plate gives direct heat transfer to your food making the cooking process quicker and healthier. The integral wall on the sides and rear of the plate gives a secure area to cook and hold your food. With two independently controlled heating zones the Incoloy heating elements are designed give even heat across the plate so there are no cold spots.

Features 2 heating zones; power on light; front drainage tray.
